

The website demystifies the TAO, Shen Shu, Ling Ch'i Ching, and the working of a Rock Crystal Pendulum.

This shows you the structure of the **Tarot 3D**

The different workings of the ancient texts and how to interpretate the Eco Oracle:

I advise you to read the first 3 pages of the **Tarot 3D** before you read further.

Here you shall learn to understand the importance of living an ecological life. The Eco Oracle shows you how to achieve this goal. It uses *the 45 JAEL-verses* and *the 36 Images*. (based on the original 81 TAO verses: <http://www.taoteching.org>) to create pictures and messages as a specific guidance.

First example :

The pendulum shows me **4 TARU items** to construct a picture. I use the freeware drawing program "the Gimp" (Works under Linux & Windows and is free to download)

Open "the GIMP" and open the template "81b.png" as a layer. Place a transparent layer on top and ask with pendulum how to connect the **4 Items : 7, 32, 18 and 37**

Use the pen tool to draw the line

Duplicate this layer.

Ask with pendulum what to do with the duplicate.

Click on : Layer, click on : Transform, click on : Rotate

Turn 41 degrees down. Select bottom layer

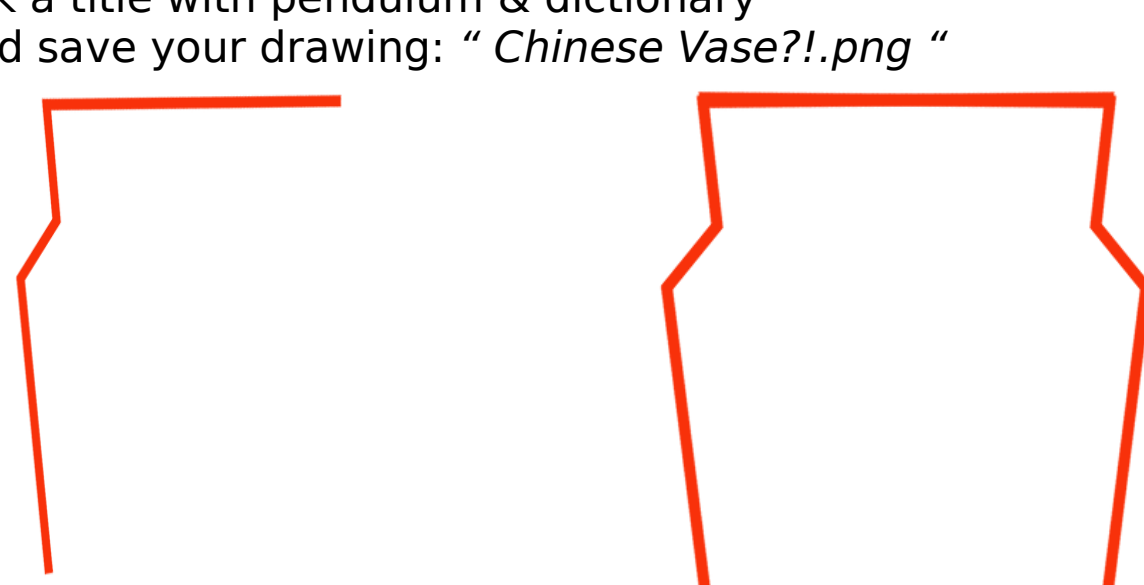

delete it and create a white layer on the bottom.

Select the top layer, duplicate and flip it horizontal.

Ask how to position it, merge down,

ask a title with pendulum & dictionary

and save your drawing: "Chinese Vase?!.png"

Second example :

The pendulum shows me **2 letters** to construct a picture.

Open "the GIMP" and open the template "P.png" as a layer,

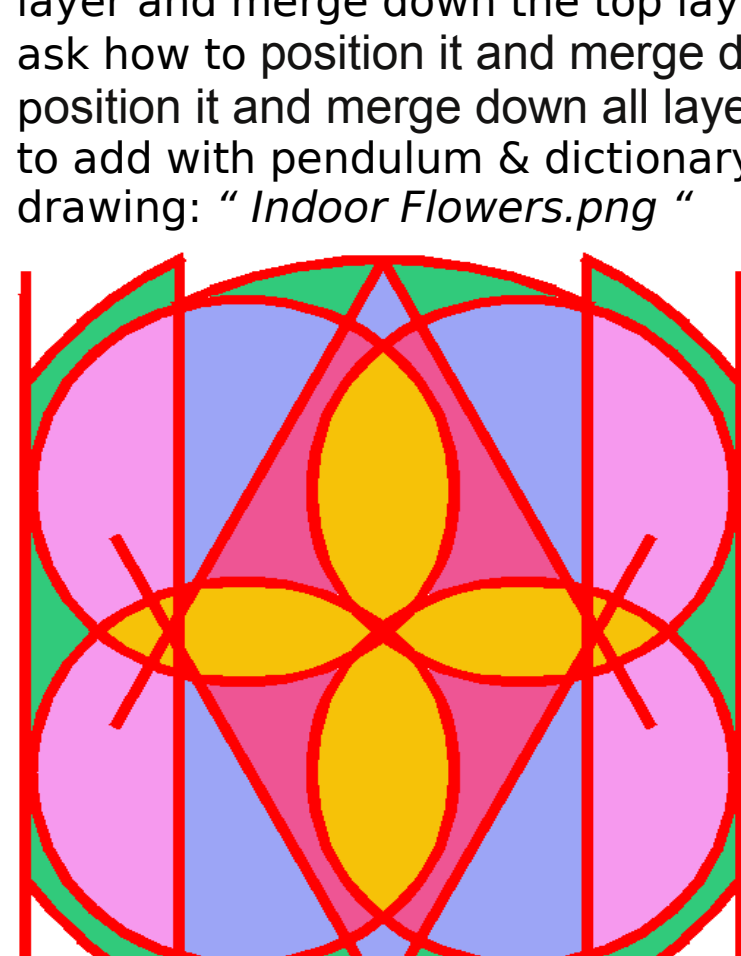

open the template "F.png" as a layer.

Resize the canvas to 800x1200 pixels

Create a white layer and place it at the bottom.

Select the top layer and ask with pendulum how to position this layer and merge down the top layer. Duplicate and flip horizontal,

ask how to position it and merge down. Duplicate, ask how to position it and merge down all layers. Color the drawing, ask a text to add with pendulum & dictionary and a title and save your drawing: "Indoor Flowers.png"

indoor flowers are like humans without fresh air

The letter F = Taru 6

The letter P = Taru 16
